
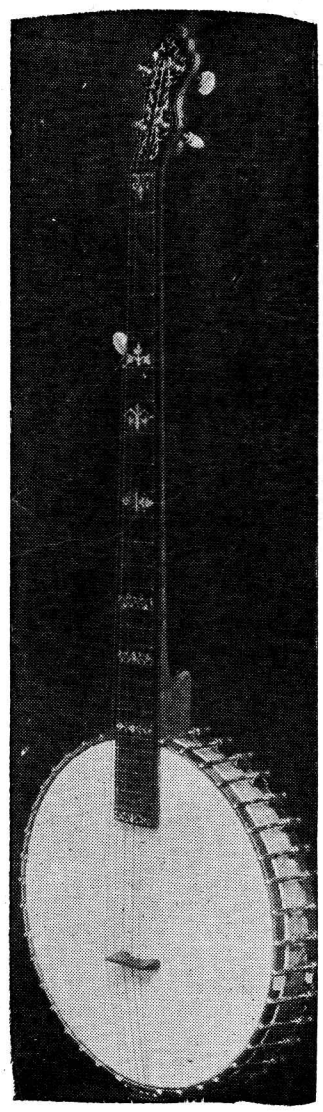
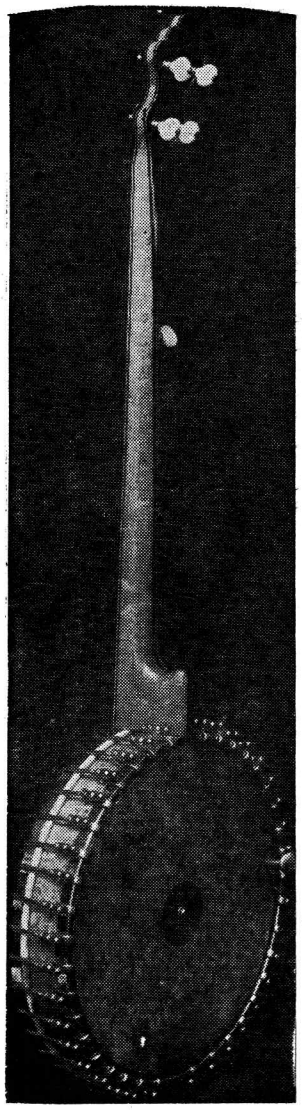
MR. ALFRED A Farland

PHENOMENAL BANJOIST



Eminent Critics throughout the United States, Canada and England have pronounced Farland's work MORE wonderful, interesting and enjoyable than that of such artists as *Paderewski, De Pachmann, Ysaye, Kubelik, etc.*



Louder than a Piano
Sweeter than a Harp

Most effective of
all stringed instruments

"WHAT PAGANINI DID FOR THE VIOLIN FARLAND HAS DONE FOR THE BANJO"
